

## Alternative Hair Foundation I (CR101)

Alternative Hair Foundation I is a two day workshop designed to provide a proven fast-track method to understand | apply the fundamental principles of alternative hair from an artists paradigm. Whether you currently offer alternative hair products and services at your business or have a desire to start, Sherri Renée empowers you with the knowledge, pro-tools, and confidence necessary to start | continue your journey.

Education is provided through visual presentations, demos, hands-on practicals, and sharing. Topics include:

- Rethink: Alternative Hair As An Artform
- Psychology of Alternative Hair
- Fundamentals of Head Anatomy
- Principles of Hair Architecture & Design
- How to Conduct a Consultation (General)
- Design Principles / Ordering
- Chiaroscuro Color Design (General)
- Cutting & Styling Techniques (General)
- Alternative Hair Care
